2. On 19 September 1963 the SO/DD/S&T was advised by a representative of the SCC/OS that inasmuch as Subject held an SI clearance with the USAF Subject could retain that clearance for purposes of the contract in question. I have since been advised that the Air Force plans to debrief Subject from his SI clearance as part of a purge of individuals who do not need this clearance for Air Force purposes.

3. Would you please take the necessary steps to see that Subject may be continued in his SI status to enable him to carry out his duties under the Agency contract with [REDACTED] which should last for approximately three more months.
